RESOLUTION NO. ____

**A RESOLUTION SUPPORTING EXECUTION OF AND COMPLIANCE WITH
ENVIRONMENTAL REGULATIONS AND LAWS FOR THE FOXCONN
DEVELOPMENT IN THE DES PLAINES RIVER WATERSHED FOR VERNON
TOWNSHIP, LAKE COUNTY, ILLINOIS**

WHEREAS, Vernon Township, Lake County, Illinois (the “Township”), is a duly organized and existing township and unit of local government created under the provisions of the laws of the State of Illinois, and is operating under the provisions of the Illinois Township Code, 60 ILCS 1/1-1, *et seq.* (the “Code”), and all laws amendatory thereto; and

WHEREAS, the State of Wisconsin recently passed legislation waiving environmental regulations for the Foxconn development (“Foxconn”) to construct manufacturing facilities within Racine County along the Wisconsin-Illinois border in the headwaters of the Des Plaines River; and

WHEREAS, the project calls for 17 acres of Des Plaines River watershed wetlands to be filled with dredged materials without an Environmental Impact Study, or input from the U.S. Army Corps of Engineers; and

WHEREAS, these wetlands may not all be replaced within the same watershed, thus foregoing multi-jurisdictional cooperation to reduce river flooding; and

WHEREAS, additional development and infrastructure improvements required to support Foxconn are likely to result in additional impervious pavement and filling of more wetlands; and

WHEREAS, businesses and residents of the Township have suffered hundreds of thousands of dollars in damage and loss of business revenue due to flooding of the Des Plaines River in recent years; and

WHEREAS, the frequency of record flood events in the Township has accelerated in the last decade, as evidenced by the top 10 historic crests all occurring since 2009; and

WHEREAS, the Lake County Board and the Village Boards of Gurnee, Lincolnshire and Mundelein have adopted resolutions denouncing the actions of certain governmental entities in Wisconsin for expediting Foxconn and incentivizing this company to pollute and damage natural resources, thereby negatively impacting communities outside the political and geographical boundaries of the state; and

WHEREAS, the Supervisor and the Board are committed to protecting the health, safety and welfare of the Township's residents and visitors;

NOW, THEREFORE, BE IT RESOLVED by the Township Board of Vernon Township, Lake County, Illinois, as follows:

**ARTICLE I.
IN GENERAL**

Section 01. Incorporation Clause.

The statements set forth in the preamble to this Resolution are found to be true and correct and are incorporated into this Resolution as if set forth in full.

Section 02. Support of Compliance with Environmental Regulations.

The Supervisor and the Board urge our neighbors and counterparts in the State of Wisconsin to immediately reconsider any actions relative to Foxconn, as well as subsequent development and infrastructure construction, that waive enforcement of or compliance with all applicable regulations and laws which compromises the environmental integrity and resiliency of natural resources to the detriment of the people and property within Vernon Township and throughout Lake County.

The Supervisor and the Board support the Illinois Attorney General, Illinois General Assembly, and Illinois agencies in taking whatever actions possible to protect Vernon Township within Lake County and the State of Illinois against the loss of water resources, potential flooding, and other ecological impacts from this development.

Vernon Township supports coordination and cooperation between the appropriate political and professional leaders in both Illinois and Wisconsin with the jurisdiction over and/or interest in the Foxconn development in Racine and Kenosha Counties, Wisconsin.

Section 03. Effective Date.

This Resolution shall be effective and in full force immediately upon passage and approval.
