PUBLIC COMMENTS

None

FY2020 TOWN BUDGET HEARING

Supervisor Altenberg reported that the budget hearing was duly published 30 days before this hearing.
Mr Gedville perused the budget items with any minor changes that were made before passage.

FY2020 HIGHWAY BUDGET HEARING

Supervisor Altenberg began the road budget hearing with questions to Highway Commissioner Lofstrom as to why he waited so long before bringing the changes to the original budget to the Board so late. The Trustees questioned the highway commissioner about his reasons for changes to the line items in question. Commissioner Lofstrom explained the line item change did not affect the bottom line in the budget. The change was precepted by the projects anticipated for the next three years. Bidding the projects together would save money. The Board wants clarification of the savings and before the new budget is passed in May.

ADJOURNMENT

It was moved by Trustee Altenberg and seconded by Trustee Hirsh to adjourn the meeting at 7:52 p.m. All voted aye. No nays. Motion carried.

Respectfully submitted,

Barbara Barnabee
