

VERNON TOWNSHIP ANNOUNCES EXTENDED HOURS

VERNON TOWNSHIP, Ill – Beginning March 5th, the Vernon Township Administrative Offices will be open until 7:30 p.m. on Tuesday and Thursday evenings. This will allow more working residents to take advantage of passport services, parking permits, social service applications, the medical lending closet, food pantry services, and more.

Township Supervisor, Jonathan Altenberg will open the Supervisor’s office to constituents on Tuesday evenings to allow them to individually discuss their issues and concerns. “An open Supervisor’s office delivers on our mission to provide a transparent and accessible government,” said Supervisor Altenberg. “Offering our services to working families by extending our hours allows us to provide important services to more residents without increasing expenses.”

Residents interested in meeting with Supervisor Altenberg or any of the Trustees should call the office to schedule an appointment at 847-634-4600.
