Applicant Name: \_\_\_\_\_ Email: \_\_\_\_\_

Address: \_\_\_\_\_ Phone: \_\_\_\_\_

Work to be performed: \_\_\_\_\_

In the consideration of the issuance of a Highway Permit, I/We shall conform to the policies and ordinances of Vernon Township of the Highway Permit and shall make such changes and revisions to the proposed work as needed to conform to such policies and provisions. I/We shall make no revisions or changes to the approved proposed work without first notifying and receiving permission from the Township Manager or his authorized agent.

In further consideration of the issuance of a Highway Permit, the petitioner and/ or contractor shall indemnify and save harmless the Township of Vernon and its duly appointed agents and employees against any action for personal injury, death or property damage sustained by reason of the exercise of this permit. This includes but does not limit appearing for and defending the Township of Vernon and its agents and employees in any aforesaid action.

The applicant and/or contractor further agree to supply a bond (amount to be determined by work to be performed) which will be forfeited for failure to satisfactorily complete the proposed work and restoration in accordance with the provisions of the permit. Said bond will be returned after the next Vernon Township Board Meeting if the proposed work and restoration is completed satisfactorily. In lieu of inspection fees, no interest will be paid on bond money.
