Vernon Township's "BackPacker" Club

Vernon Township will again be collecting gender neutral backpacks that are filled with school supplies for a specific grade. Last year over 150 students started the new school year with new backpacks and supplies. Having all new supplies helped make these students happy, prepared and ready to learn.

If you wish to donate a filled backpack you can go on any schools website, pick out a grade and see what is needed.

Please call Nancy at (847) 634-4600 if you have any questions or if you plan to donate, please let Nancy know how many. We will need these backpacks by the week of July 21st.

The Vernon Township Newsletter is published periodically by Vernon Township as a public information service for Township residents. Free copies are available at the Township Administrative Center.

When discarding items into the dumpsters, please take the time to do so in such a way that will allow for the maximum use of the space provided. Please refrain from filling the dumpsters over the top.

Unfortunately there are some items that cannot be disposed of into the dumpsters, and they are:

- Electronics / Appliances

- Paint, solvents, household chemicals or hazardous materials

To find out how or where to dispose of these items please visit www.swalco.org.

De-Icing Program

Vernon Township Highway Department began using a de-icing solution in 2008. De-icing is a combination of organic materials and existing snow removal products.

Geomelt is a 100% organic accelerator that enhances any and all chlorides and salt brine that it is used with a combination of Geomelt, liquid salt brine and calcium chloride is sprayed onto the rock salt before it is applied to the road.

The benefits of this solution are that it will work to 25 degrees below zero. The solution is less corrosive on Township trucks, the roads, and road infrastructure such as storm sewers and to personal vehicles. Additionally, it reduces the green space damage along the roadsides. The Geomelt anti-bonding solution continues to protect the roads after application by holding the salt, salt brine and calcium chloride on the roads. Because of this, the amount of hard packed snow on the road is lessened by an estimated 95%.

Dave Clauser of Vernon Township Highway Department showing Eric Konieczski and Dov Isaacman of Nunda Township Road District how to properly blend the Geomelt mix solution.

In 2008 Vernon Township Highway Department was one of the first municipalities to use the Geomelt mix solution. Throughout the past 7 years of using this product, the highway department has fine-tuned the mixture to gain maximum performance. Also, the highway department has trained several neighboring municipalities on the blending and use of Geomelt.

Save the Rain For A Sunny Day

A rain barrel connected to your downspout is a great way to keep storm water out of the system and to cut down on your water bill. Because you are collecting right off the roof, it has few contaminants and is perfect for watering the garden. Diverting water from your downspout into a rainwater catchment system has several advantages:

- Reduces the volume of water flowing to the sewer treatment facility
- Backup source of water during times of drought or between rain showers
- Helps to keep our creeks and beaches clean
- Saves money lowering your water bill; naturally softened water is great for delicate houseplants, auto cleaning and window washing
- Reduces the need for additional tax dollars earmarked for sewer expansion
- Chlorine-free water helps maintain a healthy biotic community in the soil

The Solid Waste Agency of Lake County and the Lake County Forest Preserve sponsor the Rain Barrel sale. The sale will take place on the weekend of May 9th, 2015 at Independence Grove Forest Preserve, Libertyville.

Highway Department Summer Projects

2013 TAX BILL PAID IN 2014

Homeowners requiring a copy of their tax bills for income tax purposes may obtain them from the Lake County's Treasurer's website at: <http://lakecountyil.gov/TREASURER>. You will need your PIN, also known as a property index number; however, if you do not have it your address will work as well. If you have further questions about your tax bill you can also call the Treasurer at (847) 377-2323.

Deed Information

When you purchased your property an unrecorded copy of your deed was given to you or your attorney at the time of closing. Once it is officially recorded at the county level, they then send out the certified copy within the next few weeks. We sometimes hear from homeowners that they think because they still have a mortgage on their home that they don't have their deed. This is not true; the mortgage company will place a lien on your property until the mortgage is paid off. Once the mortgage is paid off the mortgage company prepares a release deed clearing you from the lien. You can request another copy of your original deed yourself if you can't find it. The Lake County Recorder of Deed's office will send out another copy for a minimal cost. Do not be fooled by a random letter sent from a third party stating that they can get you your deed for a pretty steep price. To request a copy of your deed contact the Lake County Recorder of Deeds at (847) 377-2678.

Exemptions

If you are 65 years or older you can apply for a Senior Citizen's Exemption. Our office has applications available for you to fill out or you can go online and get one. If you prefer to go online, visit www.lakecountyil.gov, once you are there on the top right hand corner is a white search box, just type in "senior citizen exemption". If you choose to fill out the form from the online application you will need to attach a copy of your deed and driver's license as proof of age to it. If your property is in a trust, you must supply the article of the trust showing Lifetime Provisions indicating that you are the beneficiary of the proceeds if your home were to be sold. An example of that would read: During My Lifetime all income will be distributed etc., or I retain the right to control and distribute income from my trust etc. The application can then be mailed directly to the county at: Chief County Assessment Office 18 N. County St. Waukegan, Illinois 60085, or it can be brought to our office to be mailed. If you have any questions about filling out the application, your deed or your trust you can call our office for further instructions. We can also e-mail you an application packet if you would prefer that as well. We can be reached at the assessor's office (847) 634-4602

Quadrennial Assessments

This year, 2015 is our Quadrennial assessment year. This means that the Illinois statutes require assessors in all counties to revalue **ALL** properties in their jurisdiction. New 2015 assessment notices will be sent out in the month of August. Assessments are based on the prior three years of sales, so what will be looked at are sales from 2014, 2013 and 2012.

Clarke Mosquito Abatement

To help eliminate this continued threat, Vernon Township has again contracted with Clarke Mosquito Control to treat unincorporated Vernon Township. For further information regarding this program or if you are having problems with mosquitoes near your home please call the Mosquito hot line at (800) 942-2555. If you do not live in an unincorporated area, please contact the village you live in regarding their abatement program.
