

Publication of the 2017 real estate assessments

Vernon Township's 2017 assessment notices will be mailed by Lake County on August 2, 2017. The date of publication will be August 3, 2017. Therefore the Lake County Board of Review has set the last day to file complaints on September 5, 2017.

Please note that the Lake County Supervisor of Assessments applied a township factor of 1.0443 to all property assessments within the township regardless of what individual neighborhood studies indicate. The neighborhood sales studies done by the Vernon Assessor's Office indicate some areas will be over-assessed and some neighborhoods will be under-assessed because of this one factor being applied across the board to all properties regardless of location or property class.
